

Dear Parents and Caregivers,

This term has flown past with only one week to go until the school holidays. It is going to be a busy one. We have our NAIDOC celebrations with Koondoola Primary School on Thursday 28th June, our Area E assembly and the Board Meeting on Friday 29th June 2018.

We will have a guest visitor at our school on Friday to present us with some flags to assist us with our celebrations for NAIDOC day. She will be attending the Area E assembly. Her name is Dr Anne Aly (Labor Member for Cowan). Thank you to Wendy Spence for organising this for our school.

In our newsletter this week you will see some information about our Transition to high school program. Please share with anyone you may know who may be interested.

Welcome to our new Kindy student Alisha and her family who begin their schooling journey here with us at Burbridge. Area A is very excited to have you join their class.

Congratulations to our Principal Dr Catherine Kapiteyn who will be heading off to Harvard University in the school holidays. This is an amazing opportunity and we are very proud of her!

Happy Holidays

Have a wonderful time on the school holidays. Enjoy this opportunity to rest and reset after such a busy school term. We look forward to welcoming all our students and families back on Monday 16th July 2018.

See you all next term,

Mrs Natalie Campbell

Acting Deputy Principal

TRANSITION TO HIGH
SCHOOL PROGRAM
2018
PROGRAM
INFORMATION SESSION

For Families, Teachers, LAC's and Therapists

Burbridge School is offering all Year 6 students with Special Education Needs the opportunity to participate in our Transition to High School Program for a few hours each week in Term 4. This program will give students an insight into daily secondary school routines and structures, programs and facilities that are available, as well as an opportunity to mix with peers and staff. Any Special Needs student is welcome as it is not a condition you attend the school in 2019. Our brief information session will provide more details about this program.

NEWS FROM AREA H

This semester Area H has been working very hard in the classroom! A favourite activity in Area H is our Morning Meeting. Each student retells their agenda item that they wrote the day before and asks questions to the class. Literacy and Numeracy has underpinned many activities completed during Independent Living, Career Education or Leisure and Recreation lessons. Some of the highlights this semester were when Area H went fishing through the Fishability Program and played Tee ball at the local park. These community access programs as well as work experience has given Area H students opportunities to develop core social and interpersonal skills to prepare them for transitioning from life beyond school.
