

Welcome to 2022 . We have an exciting year ahead planned. We would like to extend a very special welcome to all of our new students and their families. We are pleased to report all students are settling in well to their new classes.

Therapy Services

We have a process for all requests for therapy to occur during school time, be it onsite or offsite. Many therapists have begun to contact the school, to schedule a meeting for onsite sessions and we are busily communicating with all stakeholders to ensure therapy can start in a timely manner. An initial meeting between the therapist, parent, teacher and admin is required before any new therapy can commence on school site. Where therapy sessions are scheduled offsite, but during the school day, parents are required to complete a form with the details of the therapy times. This form can be requested via your child's communication book or text message on the Parent Message Service OutReach 0488 911 892.

COVID-19 news

Burbridge School is continuing to take advice from the Department of Education, who are responsible for outlining the requirements for staff, students and parents to ensure school is a safe place. All adults are required to wear a mask indoors.

Please make the Front Office aware of any exemptions so that we can support your visit to Burbridge. Staff are permitted to remove masks when instructing students and outdoors if able to social distance.

A ventilation audit has been undertaken of the school. Good news is, with our windows open, we have appropriate level of ventilation in all classrooms. This combined with the air-conditioning within the school, will ensure we are ventilated and cool. As always, the safety of our students is paramount and we are doing everything we can to ensure well ventilated learning areas.

Communications

We are in a somewhat uncertain time with the current COVID situation and have implemented several new communication systems which have greatly assisted in the efficient relay of information to parents. One of these is the Parent Message Service OutReach 0488 911 892. This is a web based text message system. This has been upgraded and we may use this to also send emails if required. It is imperative that we have all your contact details correct and updated with the front office if they change.

Our Facebook pages will not be used for the dissemination of important information or updates. Facebook will be reserved to celebrate the brighter, fun side of life with student photos/stories.
